(Laboratory Recognition and Management Department)

Our Ref: HQ-LPPD09/2/2020-LPPD-BIS   12-09-2024

Subject: **Addition of All India First Application Dashboard on LIMS portal**

In order to expedite the identification of laboratories for All India First Applications, the following additional feature has been added in BIS LIMS portal:

1.A link of All India First Application has been given in the dashboard of the BIS Laboratories and BIS recognized Laboratories wherein they can view the list of All India First applications received by BIS for which no laboratories are recognized at present. The list of All India First applications is being taken from Manakonline through API.

2. The laboratories can enter the details of testing facilities available with them such as availability of complete/partial facilities, sample size, testing charges online.

3. This data is then auto populated in the public dashboard of the LIMS for use by all stakeholders. ROs/BOs can now accordingly view the details of laboratories who have confirmed the availability of testing facilities for All India First applications online through BIS LIMS portal.
