

भारतीय मानक ब्यूरो / Bureau of Indian standards

केंद्रीय प्रयोगशाला / Central Laboratory

(रासायनिक अनुभाग / Chemical section)

Our Ref: C/TF/Chemical/15030

Date: 29/11/2024

Subject: Upgradation of Testing Facility for Chemical requirements.

विषय: रासायनिक आवश्यकताओं के लिए परीक्षण सुविधा का उन्नयन।

This is for information to all Regional/Branch/Laboratories and Departments of BIS that Central Laboratory (Chemical Section) has upgraded testing facilities as per detail given below:

बीआईएस की सभी क्षेत्रीय/शाखा/प्रयोगशालाओं और विभागों को सूचित किया जाता है कि केंद्रीय प्रयोगशाला (रासायनिक अनुभाग) ने नीचे दिए गए विवरण के अनुसार परीक्षण सुविधाओं को उन्नत किया है:

IS No.	:	15030:2022
Product	:	TEREPHTHALIC ACID — SPECIFICATION
Test (s) with Clause No. for which facility has been created	:	Table 1 Requirements for Terephthalic Acid (Cl 3.2 and 7.1) S.no. vii) 4-carboxybenzaldehyde S.no. viii) 4-carboxybenzaldehyde + p-toluic acid
Type/Size/Grade/Variety for which test facility has been created	:	N/A (Verification of test method was done on HPLC as per Annex H of IS 15030:2022)
Test Section	:	Chemical section
Major equipment procured for creation of test facility	:	NA
Status of facility created	:	Partial to Partial
Test (s) with Clause No. for which facility yet to be created for complete testing	:	Table 1 Requirements for Terephthalic Acid (Clause 3.2 and 7.1) S.no i) Moisture content, percent by weight
Sample size	:	500 g
Testing capacity/month	:	10 samples/month
Remarks	:	NA

In view of the above, all Regional/Branch/Laboratories are requested to send the samples to Central Laboratory for testing according to the above Testing Facilities.

उपरोक्त को ध्यान में रखते हुए, सभी क्षेत्रीय/शाखा/प्रयोगशालाओं से अनुरोध है कि वे उपरोक्त परीक्षण सुविधाओं के अनुसार परीक्षण के लिए नमूने केंद्रीय प्रयोगशाला को भेजें।
