

Our Ref: CMD-II & CMD-III/ Market Survey of non-ISI products

01 Jan 2023

Subject: Market survey of non-ISI marked goods (Phase 2)

This is in continuation to Circular dated 11 October 2022 on the above mentioned subject.

2. In this regard, a list of 10 more products have been identified, sample (Non-ISI) of which are to be drawn in Phase 2 of Market Survey. List of products along with Labs where these samples are to be sent for testing is attached as Annex-1.

3. All BOs are requested to draw the samples for designated labs. Further, as informed by LPPD, around 15 samples per month per ISS is to be drawn and sent so that a steady flow can be maintained in the labs and there is no sudden accumulation and subsequent delay in issuance of test reports.

4. Further, it is clarified that more than one sample of same brand can be drawn, but from jurisdiction of other BOs. Other guidelines remain same as circulated on 11 October 2022. As advised earlier, entries are to be made in the Google sheet (**Link for Phase 2 Survey is: <https://docs.google.com/spreadsheets/d/13fp5ji1-czH-8uVgQQ1YcInf3JC5AykeIXCgXEI35E/edit#gid=0>**) so that the progress of activity can be monitored.

5. This issues with the approval of Competent Authority.
