**Subject: All India First application for Certification for Grant of Licence as per IS 11169 Part 2 : 2023**

FMCD has received an application from M/s Nippon Seisen Co Ltd, Japan for grant of licence for use of BIS Standard Mark on the product "STEELS FOR COLD HEADING/COLD EXTRUSION APPLICATIONS part 2 stainless steels-SPECIFICATION" as per IS 11169 Part 2:2023.

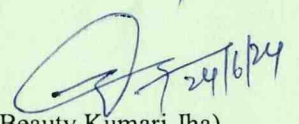

As per the information obtained from Manak Online portal/BIS Website/Intranet, Circulars of CMD's to ROs/ BOs the following is observed:

1. No BIS licence exists for the above-mentioned product.
2. Marking fee is not available for the product
3. SIT & Grouping guidelines are not available for the product.
4. Test facility available at one BIS recognized labs as per the old version: M/s Atmy Analytical Labs Pvt Ltd.

In the view of above, the application may be considered as All India First application for Certification for the above product.

CMD-II, ROs and BOs are requested to send any information regarding the above product by mail with respect to any application pending at their end or any other information which may be helpful to process this application.

LPPD/LRMD may be requested to provide the details of laboratories available for complete testing as per IS 11169(Part 2):2023 version for formulation of marking fee and testing of the sample. If no lab is available for complete test, then lab with partial test facility may please be informed.
