D.O.No.01/10/NVBDD/DGHS/2024
12th September, 2024

Subject : Celebration of National Voluntary Blood Donation Day
on 1st of October.

Dear Colleagues

National Voluntary Blood Donation Day on October 1st is a vital observance dedicated to acknowledging and celebrating the generosity of blood donors. By emphasizing the importance of voluntary, non-remunerated blood donation, the day seeks to inspire more individuals to contribute regularly. This act of giving not only saves lives but also ensures a continuous and safe supply of blood for those in need. The day also serves as a powerful reminder of the ongoing need for blood donations and the profound impact that each donation can have on the health and well-being of others.

The Campaign slogan for this year is "Celebrating 20 years of giving: Thank you, blood donors!".

The objectives of this year's campaign are:

- To thank and recognize the millions of voluntary blood donors who have contributed to the health and well-being of millions of people around the world.
- To showcase the national blood programs' achievements and challenges and share best practices and lessons learned.
- To highlight the continuous need for regular, unpaid blood donation to achieve universal access to safe blood transfusion.
- To promote a culture of regular blood donation among the Youth and the general public and to increase the diversity and sustainability of the blood donor pool.

The suggested action plan for the event is as follows:

- The event will aim to maximize the registration of willing blood donors along with optimal blood collection.

: 2 :

- To spread awareness among rural masses, activities of felicitation of blood donors and pledge-taking ceremonies may be organized at the Gram Panchayat level. The respective Sarpanch can administer the pledge.
 - Similar, activities may be organized at the blood and district levels. The office of the District Collector/District Magistrate may supervise all activities in the concerned district.
 - A pledge in English or Hindi or regional language for blood donation will be administered through both physical events at the levels and digital platforms. A template of the Pledge in English and Hindi is enclosed, which may be translated into regional languages for wider dissemination.
 - To promote the registration of blood donors and create awareness, a facility for blood group testing may be made available on 1st October 2024 at all PHCs/CHCs/Sub-district and District Hospitals and other blood centres as per feasibility. This will help the common citizens to know their blood group, which will be useful in emergencies for blood donation.
3. All Central Government Ministries, hospitals/Institutions, and Medical Colleges (Government and Private) are requested to organize similar activities on 1st October 2024.
4. Accordingly, you are requested to organize activities to celebrate the event and disseminate the information widely among various stakeholders,
5. Further, it is requested, that a report along with the photographs of the celebration of the event may be shared with this ministry to Dr. Megha Pravin Khobragade, ADG, on the email address: mp.khobragade@gov.in

with regards

Yours sincerely,

Apurva Chandra

Pledge

World Blood Donor Day, 2024

I, _____(Name), resident of _____(Village)
_____(District),_____(State), today, on the occasion of World Blood Donor Day, 2024 do
hereby pledge to donate my blood regularly.

Keeping in view the huge need of blood in India, I also undertake to create awareness amongst my family members, friends, relatives, colleagues and public about the need for regular, voluntary unpaid blood donation.

Along with this, I also undertake, that whenever someone is in need of blood, I shall donate blood at my own expense without any greed, free from caste-religion discrimination.

I will make relentless efforts so that no life is lost around us due to shortage of blood.
