Sub: Renaming of the designation name of Hallmarking Agents (HMAs) - reg.

1. This has reference to the above mentioned subject.
2. In order to carry out activities related to Hallmarking across the country BIS hired 50 'Hallmarking Agents (HMAs)' on contract.
3. Representations were received from BOs and HMAs to rename the designation of 'Hallmarking Agents' in view of several difficulties faced by them especially during market surveillance of jewellers.
4. In view of the above it has been decided to rename the designation of Hallmarking Agents as 'BIS Hallmarking Representative'.
5. This issues with the approval of Competent Authority.
