CENTRAL MARKS DEPARTMENT-2

OurRef:CMD-2/16:6911

Date:15.10.2024

Subject: Guidelines for implementation of Amendment No.05 to IS 6911:2017 (Stainless steel plate, sheet and strip - Specification)

1. Amendment no. 5 to IS 6911:2017 has been published. The last date for implementation of the amendment is **28th January 2025**.
2. All BOs shall inform the Applicants and Licensees under their jurisdiction about implementation of the above amendment within a week of issuance of these guidelines.
3. The significant changes in the standard through this amendment as listed in the Table are given for the purpose of general guidance. BOs shall ensure that the product conforms to all the requirements, as applicable, as per the amendment.

Clause	Change
5.2 Manufacture	A new clause has been added giving reference to IS 14650:2023 (Unalloyed and alloyed steel ingot and semi-finished products for re-rolling purposes) for conformity of the steels used for manufacturing of the product covered under the standard
Table 1, Chemical Composition	3 new low nickel Austenitic Stainless Steel grades N5,N6,N7 have been added and their chemical composition have been specified in the Table
Table 3, Recommended Heat Treatment	Recommended Heat Treatment for newly added Grades N5,N6 and N7 have been specified in the Table
Table 4, Mechanical Properties in the Annealed Condition	Mechanical Properties (in the Annealed Condition) of the newly added Grades N5,N6 and N7 have been specified in the Table A new note under Table has been added specifying that "Tensile test not required for thickness less than 0.3 mm"

4. Consequent to the amendment, the Product Manual of IS 6911:2017 has been revised and the same is being circulated separately.
5. The guidelines for implementation of the amendment are given below:

LICENSEES:

All Licensees shall implement the amendment by **28th January 2025**. Any difficulty in implementation shall be brought to the notice of CMD 2 at the earliest but in any case at least 30 days before the last date of implementation. BOs shall ensure that no Licences are under operation as per IS 6911 without the amendment after **28th January 2025**. **The status of implementation of the amendment shall be confirmed by Head (BO) to CMD-2 within two weeks of the last date of concurrent running.**

Licensees shall submit evidence of conformity to the additional/modified requirements through In-house/Independent Test Reports or Test Certificates, as applicable. Verification of implementation of the amendment, wherever required, may be carried out during the next surveillance visit.

Licences intending to include the newly added Grades (N6,N6,N7) in the scope of the licence may submit an application for inclusion of these Grades to their respective BOs. Inclusion shall be processed as per existing Guidelines for Change in Scope of Licence (CSoL).

BOs may plan an early Surveillance Visit for verification of the additional manufacturing machinery (if any) declared by the licensee for the included Grades within 30 days from the date of inclusion.

APPLICATIONS FOR GRANT OF LICENCE:

Existing Applications where Sample has been submitted in the Laboratory/Test Report has been issued by the Laboratory may be processed without consideration of the amendment. However, if the Applicant is desirous of considering the amendment, a declaration may be obtained from the Applicant to that effect and the Application may be processed accordingly. An undertaking shall also be obtained from such Applicants that if the sample fails while considering the provisions of the amendment, Licence will not be granted as per the old version.

Applications which are recorded henceforth may be processed with or without consideration of the amendment. Processing of Applications without consideration of the amendment shall be permitted only up to **27th January 2025** and for such cases Applicant shall give a declaration that they will implement the amendment by **28th January 2025**.

Beyond **28th January 2025** no Licence shall be granted without consideration of the amendment.

CHANGE IN SCOPE OF LICENCE:

For change in scope of licence, the relevant provisions as given above for Applicants shall apply.

However, processing of such applications for change in scope of licence without consideration of the amendment shall be permitted only up to the date of implementation of the amendment by the licensee or up to **28th January 2025** whichever is earlier.

6. The above guidelines shall come into force with immediate effect.
