### **1. AWARENESS BUILDING ON PIDPI RESOLUTION**

As per policy of Government of India, no action is to be taken on anonymous / pseudonymous complaints. However, if a complainant wishes to keep his identity confidential, there is a provision of filing complaints under Public Interest Disclosure and Protection of Informers (PIDPI) Resolution.

Preventive Vigilance initiatives are key in taking a proactive approach against the menace of corruption. Towards this goal, the following action plan may be taken up:

- b. The Commission has already advised systemic improvement measures in various cases. The organizations may make a special drive to implement these measures.

### **4. LEVERAGING OF IT FOR COMPLAINT DISPOSAL**

Timely disposal and monitoring of complaints is essential to ensure that illegal acts are identified and stopped at the right time. It also brings about a sense of trust in the complainant. To achieve this, web portals, apps and other IT initiatives can be utilized.

All Ministries / Departments / Organizations should develop and implement online portals for receipt and tracking of complaints received by the CVOs (time frame for development of such portals to be indicated by them).

### **5. UPDATION OF CIRCULARS / GUIDELINES / MANUALS:**

In continuation of earlier instructions, all organizations should work towards identifying circulars / guidelines / manuals which are required to be updated and take necessary steps to ensure updation of the same.

### **6. DISPOSAL OF COMPLAINTS**

It is necessary to ensure that complaints are not kept pending and that they reach the logical conclusion within the prescribed time period. All organizations may ensure that all complaints received on or before 30.06.23 may be disposed of.
