CENTRAL MARKS DEPARTMENT-2

OurRef:CMD-2/16:10773

Date: 28.10.2024

Subject: Guidelines for implementation of Amendment No.01 to 1772:2024 (SPECIFICATION FOR ELECTROPLATED COATINGS OF COPPER)

1. Amendment no. 1 to IS 1772:2024 has been published resolving the issues in the revision. The last date for implementation of the amendment is **28th January 2025**.
2. For IS 1772, there is only one licence in operation at KOBO. KOBO shall inform the licensee about the implementation of the amendment. All BOs shall inform all applicants(if any) under their jurisdiction about the implementation of the amendment.
3. The significant changes in the standard through this amendment as listed in the Table are given for the purpose of general guidance. BOs shall ensure that the product conforms to all the requirements, as applicable, as per the amendment.

Clause	Change
10.2 Marking	A new clause has been added to specify that “Each plated article and/or the package containing plated articles shall be marked with the legend “FOR COPPER PLATING ONLY” provided always that the material so marked conforms to each requirement of the specification”
10.3 BIS Certification Marking Clause	BIS Certification Marking clause (which was omitted during the revision of the standard) has been added

4. Consequent to the amendment, the Product Manual of IS 1772 has been revised and the same is being circulated separately.
5. The guidelines for implementation of the amendment are given below:

LICENSEES:

Licensee under KOB0 shall implement the amendment by **28th January 2025**. Any difficulty in implementation shall be brought to the notice of CMD 2 at the earliest but in any case at least 30 days before the last date of implementation. KOB0 shall ensure that Licence is not under operation as per IS 1772 without the amendment after **28th January 2025**. **The status of implementation of the amendment shall be confirmed by Head (KOB0) to CMD-2 within two weeks of the last date of concurrent running.**

As per the changes introduced into the standard through the amendment, there are no evidences of conformity to be submitted by the licensee.

APPLICATIONS FOR GRANT OF LICENCE:

Existing Applications where Sample has been submitted in the Laboratory/Test Report has been issued by the Laboratory may be processed without consideration of the amendment. However, if the Applicant is desirous of considering the amendment, a declaration may be obtained from the Applicant to that effect and the Application may be processed accordingly. An undertaking shall also be obtained from such Applicants that if the sample fails while considering the provisions of the amendment, Licence will not be granted as per the old version.

Applications which are recorded henceforth may be processed with or without consideration of the amendment. Processing of Applications without consideration of the amendment shall be permitted only up to **27th January 2025** and for such cases Applicant shall give a declaration that they will implement the amendment by **28th January 2025**.

Beyond **28th January 2025** no Licence shall be granted without consideration of the amendment.

CHANGE IN SCOPE OF LICENCE:

For change in scope of licence, the relevant provisions as given above for Applicants shall apply.

However, processing of such applications for change in scope of licence without consideration of the amendment shall be permitted only up to the date of implementation of the amendment by the licensee or up to **28th January 2025** whichever is earlier.

6. The above guidelines shall come into force with immediate effect.
