Sub: Guidelines for Implementation of Amendment No.3 to IS 15820:2009

Amendment No.3, AUGUST 2021 has been issued to IS 15820: 2009 GENERAL REQUIREMENTS FOR ESTABLISHMENT AND OPERATION OF ASSAYING AND HALLMARKING CENTRES). The significant changes in the amendment are as follows:

(Page 13, clause E-3.1) — Inserted the following note after the informal table:

'NOTE — In case of mixed lot of up to 10 pieces having same fineness but different type/design, the sampling for testing may be permitted as follows:

a) In case of sampling by scrapping/drilling, samples for testing shall be taken from a minimum of 20 percent of the pieces in the lot, subject to a minimum of two pieces.

b) In the case of sampling by cutting/melting, sample for testing has to be taken from at least one piece.

In these types of lots, a minimum one assay has to be done.'

2. The amendment has been gazette notified by Publication department with date of establishment of amendment 3 to IS 15820:2009 as 24 August, 2021 and the date till which the standard without the amendment 3 shall remain in force as 23 September 2021.
3. ROs/BOs are requested to take the action as specified above and inform all BIS Registered Jewellers and all BIS recognized Assaying & Hallmarking Centers about the implementation of amendment 3 to IS 15820:2009.
