

BUREAU OF INDIAN STANDARDS
(Hyderabad Branch Office)

Our Ref: HYBO/IS No.16709

30/08/2024

HYBO has received three applications under Option-2 (Simplified) for grant of License to use BIS Standard mark for the Product **Textiles - Polypropylene (PP) woven, laminated, block bottom valve sacks for packaging of 50 kg cement - as per IS 16709: 2017**

As per the information obtained from BIS website, circulars of CMD's to Ros/Bos, the following are observed:

1. BIS License does not exist for the above-mentioned product.

Therefore, the above application may be considered as All India First Application.

CMD 2 is requested to provide us with Marking Fee, if any prevailing for these products.

All ROs and BOs are requested to send information regarding the above product by return email with respect to any application pending at their end or any other information which may be helpful to process the application.
