Date: 14 Dec 2018

Sub: Product Certification MCR- reg

This is in reference to RO/BO meeting held on 1 November 2018, on product certification MCR. As decided in the meeting from December 2018 onwards, i.e. from the period of 26 Nov 2018 to 25 Dec 2018, MCR will be generated from manakonline and sent to BO for authentication. Also, BOs were advised to update data by 15 Nov 2018 and inform their compliance of data updation through DDGR by 30 Nov 2018. However, no information was received in this regard.

In this regard, DDGRs are requested to advise BOs under their region to verify and authenticate the MCR data generated from manakonline. In addition, BOs may be requested to ensure that the data is factual without any anomalies and to make all possible efforts to ensure that product certification MCR collated from manakonline is factual.

In addition, it is requested to provide manpower utilization of all BOs under the region for MCR period to DDG (cert.) sect. directly. It is reiterated that MCR data is deemed complete only if received along with manpower utilization of BOs concerned.
