Subject: Approval of draft standard as an Indian Standard on behalf of Division Council, Doc. No. MED 10 (25706) [IS 2266].

Dear Sir,

Please refer to the trailing mails.

The MEDC approval for Doc. No. MED 10 (25706) [IS 2266] was provided previously dated 02 October 2024 refer attachment.

However a few comments were provided by the committee members after the approval which were put up to the committee. The committee disposed off the comments in the meeting and finalized the draft for printing (relevant copy of minutes is enclosed).

Later the draft was sent to printing, the printing department informed that, for incorporating any changes in the MEDC approved draft, the **re-approval is required**.

In view of the above, it is requested to kindly approve the draft Doc. No. MED 10 (25706), once again, please.

With Regards,
