

# Memorandum of Understanding Between Bureau of Indian Standards and Indian Institute of Technology Roorkee for Establishing BIS Standardization Chair Professorship

This Memorandum of Understanding ('MoU') is made on 10th of March, 2022 between the **Bureau of Indian Standards**, the National Standard Body of India established under the Bureau of Indian Standards Act, 2016 for the harmonious development of the activities of standardisation, conformity assessment and quality assurance of goods, articles, processes, systems and services and for matters connected therewith or incidental thereto, having its Head Office at Manak Bhavan, 9, Bahadur Shah Zafar Marg, New Delhi - 110002, hereinafter referred to as the **Bureau**, of the FIRST PARTY,

#### and

The Indian Institute of Technology Roorkee, an institute having expertise in the area of scientific and technological education and research, and the application of scientific knowledge and technology to human advancement and social development, established under the Institute of Technology Act, 1961, enacted by the Parliament of Republic of India, having its office at Roorkee, Uttrakhand - 247667 hereinafter referred to as **IITR**, of the SECOND PARTY.

#### 1. General

The Bureau, has signed Memorandum of Understanding (MoU) with IITR on 19 Aug 2020 to develop collaborative activities in the field of Standardization and Conformity Assessment on the basis of equality and reciprocity.

One of the areas of collaboration identified in the said MoU is to appoint a Chair in the field of Standardization and Conformity Assessment for which the Bureau will provide financial support to IITR.

Cl.t

### 2. Objectives

The creation of a BIS Standardization Chair for research & development, teaching and training in the field of Standardization and Conformity Assessment in the country with focus on the areas of civil, electrical, mechanical, chemical, earthquake engineering, development and management of water resources and renewable energy projects, infrastructure development, medical biotechnology & nanotechnology, biomaterials, etc.

### 3. Activities

- The BIS Standardization Chair Professor is expected to provide leadership in one, or many, of the following areas:
- a) Coordinating R&D efforts towards development of standards and inputs to the drafts of new Indian Standards or revision/amendment of Indian Standards or are of relevance to Conformity Assessment Schemes of the Bureau.
- b) Identifying and facilitating the integration of existing R&D project outputs with standards, as may be relevant.
- c) Undertaking review of Indian Standards involving thorough analysis of technical developments that have taken place in the product/processes/practices/use or application/testing/input materials, the international standards available, etc. relevant to the standard under review.
- d) Preparation of handbooks/literature/case studies on implementation of Indian Standards and Conformity Assessment.
- e) Sensitizing and strengthening participation of the faculty/professors of IITR in standards formulation activities of the Bureau.
- f) Promoting the integration of Indian Standards in course curricula of IITR and for initiating short term course on standardization in IITR.
- **g)** Organization of BIS-IITR joint seminars, conferences, workshops, symposia or lectures on topics of Standardization and Conformity Assessment of common interest for dissemination of knowledge. At least one lecture to be given by the Chair Professor every year at an event organized by the Bureau.
- h) Designing and executing short-term capacity-building programmes and training programmes on Standardization and Conformity Assessment.

i) Exchange with incubation centres in IITR for promoting how standards can encourage/facilitate innovation.

### 4. Contribution

. .

#### 4.1 Bureau's Contribution

In order to create a corpus fund at IITR, the Bureau will provide a nonrefundable endowment of Rs. 0.90 Crore in a single installment for creating BIS Standardization Chair Professorship at IITR. The expenditure related to the Chair, including honorarium, contingency and travel shall be met from the interest accrued on the corpus. The endowment fund shall be managed and maintained by IITR in perpetuity. Specific projects or studies identified or conceived or facilitated through this Chair will need separate funding as per the requirement of the project.

#### 4.2 Responsibility of IITR

IITR shall provide adequate and suitable office and laboratory space, access to the library and other central facilities such as Institute Computer Centre, Institute Instrumentation Centre etc. to help BIS Standardization Chair Professor to carry out his/her mandate.

#### 5. Selection of the Chair Professor

The Chair Professor will be selected through an open advertisement as per the norms of IIT Roorkee. IITR will take steps to ensure that the BIS Standardization Chair Professor is appointed within six months of the signing of the MoU.

### 6. Monitoring and Tenure of Chair Professor

6.1 For effective functioning of the Chair, the following Steering Committee will meet as and when required:

- a) Dean, SRIC, IITR Chairman
- b) Nominee of the Bureau (to be decided) member

c) BIS Standardization Chair Professor - Convener

6.2 The Chair Professor shall submit the detailed report of the projects/assignments (completed & ongoing) to the Steering Committee every year.

let

6.3 The tenure of the Chair Professor will be three years.

7. Due caution would be exercised by IITR in dissemination/publication of any information/data/findings of a sensitive/classified nature, emanating out of this collaboration. Bureau's support is to be duly acknowledged in publications by the Chair Professor.

8. Nothing contained herein shall be construed as establishing or creating a relationship of master and servant or principal and agent between the Bureau and IITR or the employees of the Bureau and IITR or the Chair appointees and BIS or any person directly or indirectly associated with this collaboration.

**9.** All activities of the Bureau and IITR, in relation to the BIS Standardization Chair Professorship, will be as per the policies and guidelines laid down by the Bureau and IITR and under the framework of the BIS-IITR MoU on Standardization and Conformity Assessment.

## 10. **Resolution of Disputes**

Dispute Resolution: In case of any dispute that cannot be resolved amicably, it shall be referred to Sole Arbitrator appointed by the Director General of the Bureau of Indian standards, whose decision shall be final and binding upon both the parties. The provisions of the Arbitration and Conciliation Act, 1996, as amended from time to time, shall be applicable.

## 11. Right to Intellectual Property and confidentiality

The copyright of all documents/literary works arising from this MoU shall be owned by the Bureau. The documents and information of the Bureau must not be shared with third parties or reproduced, whether in whole or part, without the prior written consent of the Competent Authority of the Bureau;

## 12. Governing Law and Jurisdiction

The Hon'ble courts at Delhi alone shall have the jurisdiction to try and decide the lawsuit arising out of this MoU.

## 13. Effective Date and Duration

This Memorandum of Understanding shall be effective from the date of the signing by the parties and shall remain in force for a period of ten years therefrom. Thereafter it shall be automatically renewed for successive ten-year periods. The Parties may renew the term of the MoU by mutual consent of both the parties.

· Elt

Prain

## 14. Termination of the MoU

The MoU may be terminated by BIS any time by giving a written notice of 6 months to IITR.

#### 15. Amendment

This Memorandum of Understanding may be amended and supplemented at any time by written consent of both the Parties.
