Subject: List of officers for FMCS visits

Under FMCS of BIS, Scientific Cadre Officers are nominated to carry out inspections at licensee's/applicant's end situated outside India. Under the said scheme, officers who are having minimum 3 years of BIS experience out of which minimum 2 years experience in Product Certification activity and are cleared from administrative & vigilance angle would only be considered to carry out visits after the nomination is approved by Competent authority following the due procedures.

It has been observed that in some cases, visits get delayed due to non-availability of passport/not having due validity (more than 6 months), not able to carry out visit within stipulated time, not being able to carry out visits due to medical exigencies, etc.

In order to avoid any possible delay due to any of the reasons mentioned above and to enable the officer to be ready for the visit, a list of officers, who are considered for visits under FMCS as provided by HRD, is attached herewith.

The list of officers is circulated exclusively for the BIS officers use and may be examined by all regarding its posting/updation, if any.

(Kancherla Raja)
Head (FMCD)

Head (ITSD) – for hosting the same to intranet.
