- (iii) BO may issue endorsement for the revised STI after receipt of STI Acceptance and the confirmation from the Licensee on implementation of the revised Standard. If the Licensee fails to complete all actions by 19 October 2018 it shall be dealt with as per OMPC.
- (iv) Licensees who have licence for both IS 8144:1997 and IS 9128:1999 may be given an option to retain any one Licence. The varieties covered in the other Licence shall then be included in the scope of the retained Licence and thereafter the other Licence shall be cancelled.

An undertaking from

such Applicants shall also be obtained that if the sample fails in new test requirements, Licence will not be granted by BIS as per the old version.

- (ii) Applications which are recorded henceforth may be processed as per the old Standards or the revised Standard. Processing of Applications as per old Standards shall be permitted only upto 19 October 2018 and for such cases Applicant shall give a declaration that they will switchover to revised Standard by 19 October 2018.
