Dear Director, Noida Branch (BIS)

I hope this email finds you well.

A few days ago, I complained about a certain issue. However, due to several factors, I have been unable to facilitate further action:

1. I am currently in Pune for work and therefore unavailable in Gwalior to facilitate physical verification of the article and provide the required documents.
2. The address provided for the shopkeeper was unfortunately incorrect.
3. The issue has now been resolved between the shopkeeper and me amicably.

Given these circumstances, I would request you to close my complaint. Apologies for the inconvenience caused to you.

Complaint number for your reference - H-19671

Thank you for your attention to this matter.

Thanks & Regards

Mohit Karara
