Subject: Approval req. for finalization of DRAFT Amendment no. 1 - Automotive vehicles Air-conditioning and heating systems thermal performance Method of measurement (Second Revision)

Dear Sir,

This is with reference to the decision of MED 03 during its last meeting held on 26 September 2024 vide Item no. 4.1 Sl no. 20 (Minutes is attached). The relevant extract of the decision is reproduced as below:

"The Committee requested the above WG to expedite and provide the revised draft amendment no.1 to IS 14618:2022 within 15 days. The Committee approved the draft so received for wide circulation for one month time. If no comment is received, the Committee approved the draft for printing."

Accordingly, WG had its two consecutive meetings held on 07 October 2024 and 15 October 2024. Also, the WG had provided the draft for Amendment no. 1 to IS 14618:2022 (Draft is attached). Subsequently, the draft was put up for wide circulation for one month time with last date of comments on 17 November 2024.

No comment on the draft has been received.

In view of the above, **Chairperson MED 03** may approve the above draft for printing.

Regards
