Shri P. Kumar
Chief Controller of Explosives, Nagpur
Chairman-Gas Cylinders Sectional Committee, MED 16

Dear Sir,

This has reference to the meeting of the Committee held on 25 June 2021. During this meeting, the Committee decided to wide circulate the draft revision of IS 3745 into wide circulation for 60 days.

In the perusal of the above decision following document was put into wide circulation for comments vide our reference MED 16:1/T-3 dated 15 July 2021:

Doc: MED 16 (16579) Draft Indian Standard Yoke Type Valve Connections for Medical Gas Cylinders — Specification (Third Revision of IS 3745) (copy enclosed)

The last date of receipt of the comment was 15 September 2021.

It is submitted that no comment has been received from the stakeholder.

In view of the above, it is proposed that the above document may be finalized for publication.

Vide our email dated 17/11/2021, it was proposed to the Committee members to finalize the above document may be finalized for publication and were requested to provide their concurrence by 30 November 2021. No response was received form the Committee members.

Vide our email dated 23 September 2022, it was again proposed the Committee to finalize the above document may be finalized for publication and were requested to provide their concurrence by 27 September 2021. It is submitted that no adverse remark/comment has been received from the members by this due date.

In view of above, it is proposed that above document may be finalised for publication.

You are requested to provide your approval on behalf of the Committee for the aforesaid proposal.

Thanking You

Yours Sincerely

Chandan Gupta
