1. The Committee in the 23rd meeting requested Shri Arabinda Chatterjee to prepare a new draft Amendment to IS 1536 for screwed on flange pipes where other class of pipes can be used apart from class B which is preferable for special use with minimum class of pipe as class A. (C 1-2)
2. The Draft amendment received was tabled in 24th meeting of MTD 6. (C 3-6)
3. The Committee noted the information as given in the Agenda and after detailed deliberation decided that draft Amendment of IS 1536 : 2001 as enclosed in the Agenda can be circulated among the Committee Members for their view on the same. The Committee further decided that if no comments are received or comments received are editorial in nature then the draft Amendment will be sent in Wide circulation for 30 days with permission of the Chairman. Further if no comments are received or comments received are editorial in nature to WC draft Amendment then the draft Amendment will be sent in printing with permission of the Chairman. (C 7-11)
4. The Draft Amendment was circulated along with Minutes of Meeting on 8 August 2018. (C 12-13)
5. No Comments were received over the Draft Amendment to IS 1536.
6. The Chairman MTD 6 was requested vide our email dated 01 August 2019 to give approval for Wide Circulation in absence of any comments received on the same. (C 14)
7. The Approval has been received from the Chairman MTD6 for Wide Circulation of Draft Amendment to IS 1536. (C 14)
8. The Draft Amendment to IS 1536 is enclosed at C 15-17
9. Submitted for your kind approval for Wide Circulation of the same.

Head (MTD)

1. In cl. 3.2, it is mentioned for screwed on flange to introduce class 'A', this shall be of class 'B' only. (class 'A' to be restricted.)

2. In cl. 3.3 define 2 things in to a ~~new~~ modified to incorporate 'screwed on' flange, as the wordy take uniform in all the places.

3. In cl. 3.4, screwed on flange in the D 1000 mm, (where the report is of D 1000)

4. In table 5, the dimension to screw on with 6000, by the report, pipe up to 201000 will be maintained. Accuracy by table 5 not restricted.
