Subject: Request to provide comments on WC in 30 days for the product Pig Iron-specification pertains to IS 13502 for revision of Standard

To all the members of the committee (MTD 6)

Dear Sir/Madam,

This has reference to 27th Technical committee meeting, during which it was decided by the Sectional Committee MTD 6 to publish the Amendment 1 to IS 13052 to incorporate suitable chemical analysis standards and also to incorporate suitable Indian standard for IS Sieves.

While processing the draft amendment for printing as per the decisions of the committee it has been decided by Metallurgical Engineering Department that instead of process the amendment1 for printing it may be appropriate to revise the standard by incorporating draft Amendment 1 in IS 13052: 1992 and revise the Indian Standard IS 13052:1992 as the same is of before Pre-2000..

Accordingly the draft of revised standard have been prepared (attached) and being Circulated in WC for 30 days as there is no technical changes involved.

In view of the above members of the committee is requested to review the document and provide the views/comments in 30 days, kindly permit us to presume as approval on subject document if comments not received in stipulated time (1 month).

Thanking you,
