Our Ref: P-18547

Date: 15.10.2024

This has reference to complaint No. P-18547 received against M/s Organics Industries Pvt. Ltd., (CM/L - 7200155608), Address: S/163, G.I.D.C Dahej, Taluka- Vagra, District – Bharuch. Complaint investigation at licensee end was carried out on 26.07.2024. Report of investigation of complaint at licensee end attached. Complaint sample was drawn from batch no. – 24G24C, Grade – Technical, Form - Powder (DoM – 24.07.2024).

2. Based on observations of competent authority another visit was also carried out on 03.08.2024 at licensee end for factory testing of the product as factory testing could not be carried out on first visit dated 26.07.2024 because of time constraint due to continuous rains during visit. Sample was found passing in factory testing during second visit dated 03.08.2024.

3. During complaint investigation licence was enquired regarding the material under complaint. Upon checking their records licensee stated that they have not supplied any material to M/s Varun Industries, Address: 331 B S road, Pandav nagar industrial area, Ghaziabad 201002, U.P.. Licensee also informed that the COA attached with the complaint with batch no. – 18F24C DoM – 18.06.2024 was not issued by them and submitted the actual COA for Batch no. – 18F24C to the investigating team.

4. The complaint sample report has been received from WRL. Sample has been found non-conforming in parameter Chloride and Sulphate applicable to Technical Grade boric Acid. Due to failure of complaint sample, licence has been put under suspension by the Competent Authority according to Clause 10.2 of Guidelines dealing with complaints related to quality of BIS certified products dated 05.06.2023.

5. Appropriate actions according guidelines have been taken against the licensee, however based on licensee's remark at (3) above, the complaint is recommended to be forwarded to concerned BO to carry out complainant end investigation for assessment of genuineness of Certificate of analysis.
