CENTRAL MARKS DEPARTMENT-2

Our Ref: CMD-2/16:9473,16289,5983

22 05 2020

Subject: Maintaining consolidated database of certification of masks and eye protectors (PPEs)

1. This has reference to the guidelines issued by CMD-2 through which relaxation in norms of having in-house testing facilities has been permitted for the following PPEs.
 - i. Filter Half Masks to Protect against particles of Class FFP2 as per IS 9473:2002
 - ii. Surgical Face Masks as per IS 16289:2014
 - iii. Eye Protectors as per IS 5983:1980
2. The status of licences and applications for the above products is being monitored closely by higher authorities as these are items required in the COVID-19 pandemic response. Accordingly, in case of IS 9473, a shared sheet containing all relevant data was being maintained jointly by all concerned BOs and CMD-2 through which up to date status was being made available when required.
3. It has now been decided that similarly, status sheets shall be maintained for IS 5983 and IS 16289 as well, in addition to IS 9473 by ROs/BOs. Accordingly, the links to the sheets pertaining to the above 3 products are being circulated to all ROs/BOs as follows:
 - i. IS 9473:2002 - https://docs.google.com/spreadsheets/d/1Wc7bclj4uur6mdvfjD2tXzm3OIF59HMZI_BANHJpJW4/edit?usp=sharing
 - ii. IS 16289:2014 - <https://docs.google.com/spreadsheets/d/15bh7SAj-US3HXC7ThhbHiZ5NFfIZmjOrH11u4FXhuzY/edit?usp=sharing>
 - iii. IS 5983:1980 - https://docs.google.com/spreadsheets/d/19GHOaoYS4sMekrzLTW_6NzSDpe-UriDtfhc6BPZXsAU/edit?usp=sharing
4. All ROs/BOs are requested to fill in the blank fields pertaining to their licensees/applicants and update the above sheets regularly at least once a day, so that up-to-date information can be provided to the Competent Authority when required.
5. This is with the approval of DDG (Certification)
