***Indian Standard***

**SUGAR BOILED CONFECTIONERY -  
SPECIFICATION**

**1 SCOPE**

This standard prescribes the requirements and the method of sampling and test for hard boiled sugar confectionery, pan goods confectionery ( dragees ) and toffees. The requirements stipulated in this standard do not cover silver dragees and chewing gum dragees.

**2 REFERENCES**

The standards listed in Annex A contain provisions which through reference in this text, constitute provisions of this standard. At the time of publication, the editions indicated were valid. All standards are subject to revision and parties to agreements based on this standard are encouraged to investigate the possibility of applying the most recent editions of the standards indicated in Annex A.
