Indian Standard

SPECIFICATION FOR FROZEN MINCED FISH MEAT

1. SCOPE

1.1 This standard prescribes the requirements and method of sampling and test for frozen minced fish meat.

FOREWORD

0.1 This Indian Standard was adopted by the Indian Standards Institution on 30 December 1983, after the draft finalized by the Fish and Fisheries Products Sectional Committee had been approved by the Agricultural and Food Products Division Council.

0.2 With the increased catch of inexpensive varieties of fish, their utilization deserves utmost attention. Possibilities exist of separating out meat from these fish and freezing it in consumer packs of various mass, so that it could form as a base material for various preparations. This standard is being formulated to provide guidelines for quality control to the trade and to meet the consumer demand for wholesome fish muscle.

0.3 In the preparation of this standard, due consideration has been given to the provisions of the *Prevention of Food Adulteration Act*, 1954 and the Rules framed thereunder. However, this standard is subject to the restrictions imposed under these, wherever applicable.

0.4 For the purpose of deciding whether a particular requirement of this standard is complied with, the final value, observed or calculated, expressing the result of a test or analysis, shall be rounded off in accordance with IS : 2-1960*. The number of significant places retained in the rounded off value should be the same as that of the specified value in this standard.
