

SYNOPSIS

Doc: MHD 12 (13020) IS/ISO 11040-1:2015 Prefilled syringes Part 1 Glass cylinders for dental local anaesthetic cartridges

a) Scope:

This Indian Standard specifies the design, dimensions, materials, performance and test methods for glass cylinders for dental local anaesthetic cartridges with a volume of 1.7 ml, 1.8 ml and 2.2 ml intended for single use only. It applies to primary packs used in direct contact with a drug. The potency, purity, stability and safety of a drug during its manufacture and storage can be strongly affected by the nature and performance of the primary pack.

b) Salient features of content:

This Indian Standard specifies the design, dimensions, materials, performance and test methods for glass cylinders for dental local anaesthetic cartridges with a volume of 1.7 ml, 1.8 ml and 2.2 ml intended for single use only.

c) Type/grades/classes, if any covered in the standard: Nil.
