Indian Standard

TEST CODE FOR POWER THRESHER FOR GROUNDNUT

1. SCOPE

1.1 This standard prescribes the method for testing of power thresher for groundnut to evaluate its performance.

FOREWORD

0.1 This Indian Standard was adopted by the Indian Standards Institution on 20 March 1985, after the draft finalized by the Harvesting and Threshing Equipment Sectional Committee, had been approved by the Agricultural and Food Products Division Council.

0.2 Manufacture and use of power thresher for threshing groundnut is increasing in the country. A need was felt to prepare a detailed test code for this equipment for rational evaluation of its performance.

0.3 In the preparation of this standard, assistance has been derived from Messrs Jyoti Ltd, Vadodara.

0.4 In reporting the result of a test or analysis made in accordance with this standard, if the final value, observed or calculated, is to be rounded off it shall be done in accordance with IS : 2-1960*.

*Rules for rounding off numerical values (*revised*).
