

Indian Standard  
PLIERS AND NIPPERS — NOMENCLATURE  
(First Revision)

Pliers and nippers —  
Nomenclature

Pinces et tenailles —  
Nomenclature

## Scope

This International Standard gives a nomenclature of pliers and nippers in English and French.

NOTE 1 The figures in this International Standard are given as examples only and are not intended to affect the manufacturer's design.

NOTE 2 In addition to terms used in the official ISO languages (English and French), this International Standard gives the equivalent terms in German, Italian and Spanish languages; these are published under the responsibility of the member bodies for Germany (DIN), Italy (UNI) and Spain (AENOR). However, only the terms given in the official languages can be considered as ISO terms.
