Indian Standard

MODULAR CO-ORDINATION FOR NORMAL BRICKWORK- RECOMMENDATIONS

PART 1 BURNT CLAY BRICKS

1 SCOPE

1.1 This standard deals with the application of modular co-ordination in brickwork using modular and non-modular bricks.

1.2 This standard covers recommendations for achieving modular co-ordination in brickwork using modular and non-modular brick sizes, and preferred horizontal and vertical controlling dimensions in all types of buildings. This is intended to be a working reference for the dimensional control of all types of brickwork.

2 REFERENCES

The Indian Standards listed in Annex A are necessary adjuncts to this standard.
