Indian Standard

**GUIDELINES FOR IMPROVING THE CYCLONIC
RESISTANCE OF LOW RISE HOUSES AND
OTHER BUILDINGS/STRUCTURES**

1 SCOPE

This standard covers the guidelines regarding planning, design and construction aspects for improving the cyclonic resistance of low rise houses and other buildings/structures.

2 REFERENCES

The standards listed in Annex A contain provisions, which through reference in this text, constitute provisions of this standard. At the time of publication, the editions indicated were valid. All standards are subject to revision, and parties to agreements based on this standard are encouraged to investigate the possibility of applying the most recent editions of the standards as given in Annex A.

ANNEX A

(Clause 2)
