**CODE OF PRACTICE FOR  
LIGHTING OF PUBLIC THOROUGHFARES**

**PART VI LIGHTING FOR TOWN AND CITY  
CENTRES AND AREAS OF CIVIC IMPORTANCE  
(GROUP E)**

**1. SCOPE**

**1.1** This part of the code deals with functions, appearance and design requirements of lighting for towns and city centres and areas of civic importance ( Group E ).

**1.2** It includes lighting for those areas within towns and cities which have an importance for civic or other reasons, and for which a standard of lighting is different from and higher than that described in other parts. Such areas include not only civic centres, but also important shopping streets, boulevards, promenades and other places which are focus of social activities after dark.
