## *Indian Standard*

# METHODS OF TEST FOR PAPER AND PULP BASED PACKAGING MATERIALS, PART 2

---

## 0. FOREWORD

**0.1** This Indian Standard ( First Revision ) was adopted by the Indian Standards Institution on 30 September 1985, after the draft finalized by the Paper and Pulp Based Packaging Materials Sectional Committee had been approved by the Chemical Division Council.

### 1. SCOPE

**1.1** This standard prescribes methods for the following tests for paper and pulp based packaging materials:

- a) Odour,
- b) Ply separation,
- c) Puncture, and
- d) Reducible sulphur.

**1.2** Should any inconsistency exist between the requirements of this standard and those of the standard for an individual material, the latter shall prevail.
