*Indian Standard*  
**SPECIFICATION FOR  
RESISTANCE WELDING EQUIPMENT**

**PART IV SINGLE PHASE STATIONARY, PRESS TYPE  
ROLL-SPOT AND SEAM WELDING MACHINES**

**1. SCOPE**

**1.1** This standard ( Part IV ) covers the essential electrical and mechanical features pertaining to standard sizes of stationary single-phase ac transformer type seam-welding machines. It does not include electrical and electronic-control equipment.

**1.2** This standard does not cover fixture type or special-purpose seam welding machines.
