IS 5453 (Part 1) : 1996

Indian Standard

SAFFRON

PART 1 SPECIFICATION

(Second Revision)

1 SCOPE

This standard prescribes the requirements for saffron from the flowers of *Crocus sativus* Linnaeus.

NOTE — It is applicable to saffron in either of the following forms:

- a) in whole filaments as loose, supple, elastic and hygroscopic mass of filaments, or
- b) in powder form.

2 REFERENCES

The following Indian Standards contain provisions which through reference in this context, constitute provision of this standard. At the time of publication, the editions indicated were valid. All standards are subject to revision, and parties to agreements based on this standard are encouraged to investigate the possibility of applying the most recent editions of the standards indicated below:
