Indian Standard

**SPECIFICATION FOR
PYRETHRUM DUSTING POWDERS**

(First Revision)

1. SCOPE

1.1 This standard prescribes the requirements and the methods of sampling and test for pyrethrum dusting powders.

FOREWORD

0.1 This Indian Standard (First Revision) was adopted by the Indian Standards Institution on 29 January 1982, after the draft finalized by the Pest Control Sectional Committee had been approved by the Agricultural and Food Products Division Council and the Chemical Division Council.

0.2 Pyrethrum dusting powders containing 0.2 percent (*m/m*) pyrethrins are extensively used in the control of insect pests of agricultural importance, especially in grain storage.

0.3 This standard was first published in 1971. The standard is being revised to align it to the methods of identity and test as prescribed in IS : 1051-1980*.
