Indian Standard

**SPECIFICATION FOR
PORTABLE LOW SPEED FOOD
GRINDING MACHINE**

1. SCOPE

1.1 This standard applies to electric motor driven low speed food grinding machines mainly intended for domestic and similar use.

1.2 It does not apply to high speed food mixers provided with blades and cutters which are covered by IS : 4250-1967‡.

‡Specification for domestic electric food-mixers (liquidizers, blenders and grinders).
