Indian Standard
GRAIN DRYERS - GLOSSARY OF TERMS
(First Revision)

FOREWORD

This Indian Standard (First Revision) was adopted by the Bureau of Indian Standards after the draft finalized by the Agricultural Produce Processing and Milling Machinery Sectional Committee had been approved by the Food and Agriculture Divisional Council.

Various terms are commonly used in relation to grain dryers and drying. With a view to accord authoritative and uniform definitions to these terms, this standard has been formulated.

This standard was first published in 1977. This revision has been taken up to incorporate a number of new terms and to update existing terms in the light of comments received on the standard.

1 SCOPE

This standard covers the definitions of various terms frequently used in relation to grain dryers and drying.
