Indian Standard

SPECIFICATION FOR TRIALATE, TECHNICAL

1. SCOPE

1.1 This standard prescribes the requirements and the methods of sampling and test for triallate, technical.

FOREWORD

0.1 This Indian Standard was adopted by the Indian Standards Institution on 20 June 1980, after the draft finalized by the Pest Control Sectional Committee had been approved by the Agricultural and Food Products Division Council and the Chemicals Division Council.

0.2 Triallate, technical is used in herbicidal formulations.

0.3 In the preparation of this standard, due consideration has been given to the provisions of the Insecticides Act, 1968, and the Rules framed thereunder. However, this standard is subject to the restrictions imposed under these, wherever applicable.

0.4 For the purpose of deciding whether a particular requirement of this standard is complied with, the final value, observed or calculated, expressing the result of a test or analysis, shall be rounded off in accordance with IS : 2-1960*. The number of significant places retained in the rounded Hoff value should be the same as that of the specified value in this standard.
