Prof. Nirmalya Bagchi & Dr Valli Manickam
Programme Directors

Dear Sir/Madam,

Advanced Techno-Management Programme for Scientists
November 12 – December 7, 2018 (4 weeks)
(Dept. of Science & Technology, Govt. of India Sponsored)

Invitation for Nominations – Reg.
~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Prominent among the Management Development Programmes (MDPs) sponsored by Department of Science and Technology is Advanced Techno-Management Programme for Scientists and Technologists. This one month long training programme is offered to a scientist once in his/her the career. The programme is designed to enhance the capacities of experienced scientists and technologists in advanced techno-management disciplines, so that they could effectively shoulder senior-management / leadership responsibilities in an optimal way.

Programme Objectives:

- Facilitating among the participants, the understanding and appreciation of the challenges emerging from technological advances, globalisation, competition, regulatory compliance, societal as well as governance needs

- Helping them enrich and upgrade their managerial attributes, knowledge and skills.

- Prepare them to respond to unmet needs in a more efficient and effective manner

- Provide them an opportunity to interact with their peers from the scientific and research community, share inspiring experiences and exchange constructive views and ideas.

Unique Features of the Programme include:

o Talks by distinguished scientists, eminent technology managers & able administrators
o Visit to some of the best-practice driven, model R&D labs and S&T training institutions
o Case studies and Videos
o Panel discussions on effective and efficient management of R&D institutions and Industries
o Project report preparation & presentations

o   One week (5 days) outbound exercises for enhancing team-building skills and interpersonal relations etc.

Eligibility Criteria

The nominees should ensure to meet the following tentative eligibility criteria:

1) He (She) should be a Scientist / Technologist.
2) He (She) should have put-up minimum of 9 years of service.
3) His (Her) age should be less than or equal to 52 years as on 1st July 2018.

With Regards,

Yours Sincerely

Nirmalya Bagchi / Valli Manickam

Advanced Techno Management Programme for Scientists
November 12 – December 7, 2018   (4 weeks)
Programme Directors

Dr Nirmalya Bagchi
Dean of Research Studies Professor and Area Chairperson of Technology Policy,
Management and Innovation

Dr Valli Manickam
Dean of Training Programmes, Professor and Area Chairperson, Environment Area,
CEEUGID

Programme Objectives:

- Facilitate understanding and appreciation of the challenges emerging from technological advances, globalization, competition, regulatory compliance, societal as well as governance needs among the participants,
- Help them enrich and upgrade their managerial attributes, knowledge and skills
- Prepare them to respond to organization needs in a more efficient and effective manner
- Provide an opportunity to interact with their peers from the scientific and research community, share inspiring experiences and exchange constructive views and ideas
- Helping them enrich and upgrade their managerial attributes, knowledge and skills to meet the strategies of 'Digital India', 'Make in India' and 'Skill Development.

Pedagogy:

- Talks by distinguished scientists, eminent technology managers & able administrators.
- Visits to some of the best-practice driven, model R&D labs and S&T Training institutions.
- Case studies and Videos
- Panel discussions on effective and efficient management of R&D institutions and industries.
- Project report preparation & presentations
- One week (5 days) outbound exercise for enhancing team-building skills and inter-personal relations etc. This will be on actual experiences of experts.

Target Participants

The program is designed for experienced scientists and technologists (Scientists of grades C and above) from research institutions. Nominations from academics should possess PhD / M.Tech degrees and should be actively involved in Research & Development. Scientists from the Business Management Divisions of S & T institutions are also encouraged to attend. Age of the applicants should not be more than 52 years

as on 1 July 2018. The participants should have put up a minimum of 9 years of service and should be participating in the Department of Science and Technology sponsored Advanced Techno Management Program for the first time. All nominations have to be strictly from the government sector only and nomination of applicants from private sector will not be accepted.

Last Date of Nomination:

November 5, 2018

PROGRAMME OBJECTIVES

This course will help the scientists and technologists to prepare for taking greater responsibilities in the organization and will improve their overall managerial capacity and outlook. Science Administration and Research Management can improve efficiency and productivity of our S&T organizations. This set of management tools and techniques enable optimal use of resources and improve innovation in the organization. The course will also expose the participants to the important issues of management in S&T organizations like IPR Management, Project Management, RFD preparation etc.

COURSE CONTENT

1. Unique management skills required in techno-scientific organization

2. S&T Leadership Development

3. The Importance of Technology Commercialization and Innovation

4. Intellectual Property Rights Protection and Related Strategies

5. Better Financial Management for S&T Organizations

6. Science Audit

7. Performance Measurement and Management of S&T Organizations

8. Ethical practices in S&T

9. Leveraging S&T for Greater Market Access

10. Managing Knowledge Workers

11. Scientometrics

12. Knowledge Management

13. Project Management

PEDAGOGY

Lectures, demo video shows, problem solving exercises, case discussions, project work assignment.

DURATION AND VENUE OF THE PROGRAMME

October 22 – November 2, 2018. The programme is fully residential and the participants will be accommodated in single air-conditioned rooms the College at Hyderabad. Transportation from and to Airport / Railway Station will be arranged by the College.

TARGET PARTICIPANTS

The programme is designed for experienced scientists and technologists (of levels 'C' to 'G' or equivalent) with work experience of 9 (nine) years and above. The intake for the programme is generally limited to 25. The preferred allocation of seats is: 10 from central sector, 5 from state sector, 5 from universities / colleges and 5 from other government institutions. Not more than two candidates would be selected from one institute / organization. As regards nominations from academia, only those who possess PhD / M.Tech degrees and are actively involved in Research & Development would be selected.

It is to be reiterated that all nominations have to be strictly from the government sector only. Nomination of applicants from private sector will not be accepted.

Nominations would be accepted on 'first come', 'first serve' basis, in conformity with the above guidelines.

SPONSORSHIP & SUPPORT

The training programme is residential and all expenditure will be met by the Department of Science and Technology, Govt. of India except the expenditure on to-and-fro journey from the place of duty to ASCI and TA/DA etc. which are to be borne by the sponsoring organizations. Accordingly, nominating institutions and participants **NEED NOT** pay DST or ASCI , any fee or expenses for course fee, board and/or lodging for the participants.

NOMINATIONS

Scientists and technologists interested in participating in the training programme may apply in the prescribed proforma (enclosed) duly recommended by the Controlling Officer of the Department / Organization, at least one month before the commencement of the programme directly to ASCI at the following address, with a copy endorsed to Under Secretary (Training), Department of Science & Technology, Technology Bhawan,New Mehrauli Road, New Delhi – 110016.

LAST DATE FOR RECEIPT OF NOMINATIONS

October 15, 2018

Address to which nominations should be sent:
