Circular No. 05/08/19

**Subject : Observance of Vigilance Awareness Week, 2019.**

1. The Central Vigilance Commission has the mandate under the Central Vigilance Commission Act, 2003 to fight corruption and to ensure integrity in public administration. It is charged with monitoring all vigilance activities under the Central Government and advising various authorities in Central Government and organizations under it, in planning, executing and reviewing their vigilance work in order to bring out systemic improvement in governance. In addition, the Commission with its outreach activities also endeavours to create awareness amongst the common man, especially the youth, towards the policy of achieving transparency, accountability and corruption free governance.

2. Observance of Vigilance Awareness Week every year is part of the multi-pronged approach of the Commission where a key strategy is to encourage all stakeholders to collectively participate in the prevention of, and the fight against corruption and to raise public awareness regarding the existence, causes and gravity of and the threat posed by corruption. The Commission has decided that this year the Vigilance Awareness Week would be observed from 28<sup>th</sup> October to 2<sup>nd</sup> November, 2019 with the theme "Integrity- A way of life (ईमानदारी-एक जीवन शैली)".

3. Corruption can be defined as a dishonest or unethical conduct by a person entrusted with a position of authority, either to obtain benefits to oneself or to some other person. It is a global phenomenon, affecting all strata of society in some way or the other. Corruption undermines political development, democracy, economic development, the environment, people's health and much more. It is, therefore, imperative that the public must be sensitised and motivated towards efforts at weeding out corruption.

4. Though punishment and penal actions delivered quickly are effective deterrents to corruption, a lot more may be achieved by inspiring the young generation to lead a life that combines righteousness and honesty. The Commission has accordingly chosen "Integrity- A way of life (ईमानदारी-एक जीवन शैली)" as the main theme for Vigilance Awareness Week, 2019.

5. The observance of the Vigilance Awareness Week would commence with the Integrity Pledge (copy enclosed at Annexure 'A') by public servants in the Ministries/Departments/Central

Public Sector Enterprises (CPSEs)/Public Sector Banks (PSBs) and all other Organisations on 28<sup>th</sup> October, 2019 at 11.00 a.m.

6. All Organisations are also advised to conduct activities relevant to the theme both within and outside their respective organizations, and to conduct outreach activities for public/citizens as indicated below :

A. Activities to be conducted within the organization:

- A1. Taking of Integrity Pledge by all employees. Employees may be encouraged to take e-pledge by visiting the website. Those who take the pledge verbally may be advised to record it through the website.
- A2. Conduct workshops/sensitization programmes for employees and other stake holders on policies/procedures of the organization and on preventive vigilance measures.
- A3. Conduct various competition such as debates, quiz etc. for the employees and their families on issues relating to anti-corruption.
- A4. Use organizational website for dissemination of employees/customer oriented information and to make available avenues for redressal of grievances.
- A5. Bring out special issue of journals/newsletters on vigilance issues, systemic improvements and good practices adopted for wider dissemination and awareness.
- A6. Distribute pamphlets/handouts on preventive activities, whistle blower mechanism and other anti-corruption measures.
- A7. Promote the concept of e-Integrity Pledge by persons with whom the organization deals with.

B. Outreach activities for public/citizens:

- B1. The organisations may organise human chains in central locations in the concerned cities/ towns/villages which have been assigned to them as per Annexure 'C' & 'D', wherever feasible.
- B2. They may undertake activities such as walkathons/ marathons / cyclathons etc., and organise street plays, public functions etc. which have visibility and mass appeal across all strata of society.
- B3. Display of hoardings, banners, posters and distribution of handouts etc. at prominent locations/places in offices/ field units and also at places with public interface (eg. branches of Banks, Petrol Pumps, Railway Stations, Airports etc.).
- B4. Organize grievance redressal camps for citizens/customers by organisations having customer oriented services/ activities. Similarly, vendor meets may be organised wherever necessary. It is expected that such camps/meets are held by the organisation not only at headquarters but also at all appropriate field units.

B5. Extensive use may be made of social media platforms, bulk SMS/E-mail, Whatsapp, electronic and print media etc. for spreading awareness.

B6. The Commission has actively promoted the concept of "Integrity Pledge". Two Integrity Pledges are available, one for enlisting support and commitment of the citizens and the other for corporate/entities/firms etc. (Annexure 'A' & 'B'). All Ministries/Departments/Organisations need to make renewed and concerted efforts towards disseminating and publicising the 'Integrity Pledge' amongst all employees, their families, vendors/ suppliers/ contractors/ stakeholders, students, citizens etc. so as to elicit wider participation for the initiative of the Commission.

The online "Integrity Pledge" is available on the CVC's website <http://www.cvc.nic.in> and can also be accessed through the hyperlink provided by the Ministries/Departments/Organisations.

B7. Stressing creation of awareness of the ill-effects of corruption amongst school and college students, the Commission desires that special efforts may be made by each field unit/branch of every Organisation/CPSE to reach out to students in at least 3 schools and 3 colleges.

In this regard, various activities such as lectures, panel discussions, debates, quiz, essay writing, slogans/elocution/cartoon/poster competitions on moral values, ethics, good governance practices etc. may be organized so as to generate healthy debate on the ill effects and prevention of corruption and for ensuring active participation of students of schools/colleges/professional colleges. In order to ensure wide coverage of cities/towns across the country, it is proposed that the various organizations along with field units/branches may conduct outreach activities in schools and colleges in the cities/towns as indicated at Annexure 'C' and 'D'.

B8. Activities conducted in schools and colleges need to be sustained over a period of time to ensure that ethical values are ingrained permanently in the minds of the younger generation. All organizations may therefore, encourage establishment of 'Integrity Clubs' in schools and colleges as children are the future assets of the country and it is important to cultivate moral values in them.

B9. Organise "Awareness Gram Sabhas" for dissemination of awareness in Gram Panchayats (in rural and semi-urban areas) to sensitise citizens on the ill-effects of corruption. As past practice, Public Sector Banks need to conduct "Awareness Gram Sabhas" at branch level in at least two Gram Panchayats. Other organizations may also organise "Awareness Gram Sabhas" wherever possible. While organising Gram Sabhas and seminars, the participation of non-government organisations, corporates in the private sector, other institutions, service organisations and participation of public in the area may be ensured.

In this regard, the CVOs of PSBs along with the CMD or his nominee may hold a meeting/ video conference with the Heads of their Circle and Regional Offices, Branch Managers, Vigilance Managers and Vigilance Officers to finalise action plans for conducting "Awareness Gram Sabhas" and to monitor the same. The Head of the Regional Office (or of the circle if there are no Regional Offices) may function as the Nodal Officer for successful implementation of this activity by the branches under their jurisdiction. Indicative list of activities which can be conducted as part of "Awareness Gram Sabhas" is at Annexure 'E'.

B10. While in the rural and semi-urban areas "Awareness Gram Sabhas" would suffice, in the urban areas, public can be engaged in discussion about corruption by organising "Seminars/Workshops". Hence, all Organizations are requested to hold at least one such seminar at their headquarters/regional offices.

Similarly, PSBs may also ensure that their branches located at block headquarters and district headquarters organize such seminars at each block and at each district headquarters. For this purpose the various bank branches at block and district level may like to coordinate their activities with each other.

B11. Vigilance Study Circles may also participate actively in the VAW by conducting any or all of the outreach activities.

7. The Commission expects all organizations to conduct various activities with zeal and enthusiasm to achieve the Commission's objective to eliminate corruption in public life. Although all activities need to be conducted during the Vigilance Awareness Week, however, in case of exigencies/ school holidays etc., the same can be conducted before or after the Vigilance Awareness Week.
8. A report on the observance of the Week may be sent by all Ministries/ Departments/ Organisations to Central Vigilance Commission as per the format enclosed at Annexure 'F' by 30<sup>th</sup> November, 2019.
9. Selected Photographs / Media clips may be sent to the Commission by email at the address [smedia-cvc@gov.in](mailto:smedia-cvc@gov.in) . Photographs and Media clips may be uploaded on departmental / organisational websites and social media accounts using the hashtag #vigilanceweek2019. These may also be tagged to the CVC's social media accounts @cvcindia ( Twitter) and @cvcofindia ( Facebook).
10. This notification is also available on the Commission's website at <http://www/cvc/nic.in>
