

13th July, 2020

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Navneet Sharma has worked with International Water Management Institute, Delhi, as a Consultant under the project entitled “Strengthening Capacity in South Asia for Scaling-up Climate-Smart Agriculture Technologies, Practices and Services” from January to December 2019.

During this period, he was involved in the following activities as a consultant:

1. Liaise with relevant government departments and administration at the district level to collect project-related data from various departments.
2. Prepare a report on center and states sponsored schemes that align with underground transfer of flood water for irrigation (UTFI) and prepare convergence plan
3. Conduct field visit and Prepare a technical report on up scaling opportunities of UTFI within the Moradabad and Rampur districts
4. Participated in meeting with district-level officials of Rampur to scale up UTFI under Jal Shakti Abhiyan (JSA) and also work as a technical member of the district-level committee of JSA.
5. Organize meeting, workshop, and UTFI pilot site field visits

His conduct was satisfactory.
