Subject: Acceptance of Test report of LERC for IS 3196(Part 1):2013

Clarifications have been sought by BOs as to whether the test report of LPG cylinder as per IS 3196(Part 1), shared by Oil Marketing Companies and issued by LERC can be considered for operation of License.

The matter has been examined and it has been decided by the Competent Authority that the test report of LERC may not be considered for the operation of Certification Marks Scheme at present.
