Date: 17.08.2024

I, Jayant N Singnapure, Asst. Manager (QA), Rinac India Limited, writing you to inform a change in our standard for PIR panel certification.

Change in the standard for the PIR panel certification. The following points to be noted for

- 1) Non-requirement of Pink color for PIR panel. Not recommended by chemical suppliers.
- 2) Non-restriction of length in standard. It varies as per the project requirement.
- 3) Find the attached PO copy for your reference.
