Phone : 9904674779

OBJECTIVE

As an MTech holder in Textile Engineering, I aim to leverage my skills in quality supervision, product development, and laboratory testing within a forward-thinking organization. My goal is to contribute to the growth of the company while enhancing my technical and managerial abilities in a dynamic work environment.

WORK EXPERIENCE

Quality Supervisor;

[24 April - 2023 to till]

Avgol Nonwoven India Pvt.Ltd. Halol, Gujarat

- Avgol is a global leader in the manufacture of high-performance spun melt nonwoven materials for a wide range of market sectors including hygiene, medical and functional materials.

My Responsibility;

- **Product Development:** Spearheaded new product development in alignment with customer requirement and market demand.
- **Inspection & Testing:** Conducted comprehensive inspections of fabrics, including hydrophilic and hydrophobic materials used in hygiene products, and performed standard tests such as GSM, thickness, air permeability, tensile strength, abrasion resistance, hydrohead, denier, stiffness, sieve test, opacity, color strike-through, rewet, and runoff.
- **Calibration & Documentation:** Managed the calibration of instruments and created standard internal certificates, standard operating procedures (SOP), one-point lessons (OPL), and work instructions.
- **Quality Control:** Inspected raw materials and prepared detailed inspection reports. Implemented quality alerts and conducted thorough data analysis to ensure product quality.
- **Production Supervision:** Supervised the production line to maintain consistent quality and efficiency.
- **System Operations:** Handled daily SAP operations and checked EVS. Prepared certificates of analysis (COA) for final products.

EDUCATIONAL QUALIFICATION

- **10th**

Board : GSEB

Percentage : 54.15 %

Year : 2014

- **12th Science**

Board : GSEB

Percentage : 54.15 %

Year : 2016

- **Bachelor of Engineering (BE)**

University: Gujarat Technological University, Surat

Grade : 6.43 CGPA

Year : 2020

- **Master of Engineering (ME/MTech)**

University : The Maharaja Sayajirao University, Baroda

Percentage : 63 %

Year : 2022

RELEVANT SKILL

- Cross-functional Team Leadership.
- Product development and qualifications.
- Data analysis and interpretation
- Corrective and preventive (CAPA).
- Time management and organizational skills
- Customer service.
- Laboratory Skills.
- Documentation.

PROJECT

Investigating the performance of wound filter tested under different test condition.

Focus of this study is on the wound filters that occupy an important place in the popular household filtration systems. String wound filters are an integral part of such systems and are mainly used as pre-filters. They are best suited to carry out micro-Filtration and can increase the life of the final filter in the filtration system.

Personal Information

- Name : Vikesh Kumar karsanbhai Chaudhary
- D.O.B : 20/07/1998
- Gender : Male
- Marital Status : Unmarried
- Religion : Hindu
