Subject: Discreet visit carried against Complaint No. P-17694

A discreet visit carried out on 29 May 2024 to check for any possible violation of BIS Act, 2016 w.r.t. ISI marked energy meters in the address provided below:

**Pal Switchgear and Controls, 212/21, Rajendra Nagar Industrial Area, Mohan Nagar, 201007 (Address given in the complaint)**

However, during the discreet visit, it was observed that trade/manufacturing/assembly of electrical equipment is being carried out by **M/s Lalit Mechanical Works, 109/52, New Rajendra Nagar Industrial Area, Uttar Pradesh, 201005.**

The undersigned contacted Mr Lalit Kumar Pal, representative present as above address, to place an order for ISI marked Energy Meters and the representative replied that they could supply Energy Meters with order placed one week in advance.

Also, during the visit, ISI marked Miniature Circuit Breakers of **Brand-Texcon**, marked with expired **CM/L-3073850** were also found in stock.

In view of the above, Misuse of ISI mark is established, as the firm is dealing in ISI mark product without having any licence and marking product with expired licence. A search and seizure may be planned at the earliest. (A)
