Dear Sir,

I have given you import data, i have now attached photos of boxes also for your ref, however with regards to catch the wrong doing you need to act. This company import Flux Cored wire stating as alloy steel which doesnot have qco in place, however the material is carbon manganese steel which is part of qco is15769 2008.

THIS IS CLEAR CASE TO BYPASS QCO ORDER OF IS 15769 AND NO ALLOY STEEL FLUX CORED CAN BE SO CHEAP, NO WHERE IN THE WORLD ALLOY STEEL CAN BE CHEAPER OR INLINE WITH CARBON STEEL. NORMAL PRICE OF ALLOY STEEL FROM CHINA, VIETNAM OR OTHER COUNTRIES IS NOT POSSIBLE AT THE ABOVE PRICE. I AM SURE THEY ARE IMPORTING CARBON MANGANESE STEEL AND MENTIONING IT AS ALLOY STEEL TO AVOID QCO

Awaiting your action for the below mentioned email.
It is clearly import of non bis complaint material from China through misdeclaration.

Kindly take immediate action as this is not only affecting domestic manufacturer but also is danger for our critical infrastructure.
