TNAHSUT

Automatic dry nonstick iron automatic shutdown and on.

The dry Iron Temperature setting allows you to select and the check temperature setting easily and accurately. The Power cord can be set up on either side to allow easy ironing for right or left-hand operation. Aluminum alloy sole plate PTFE coated lets the iron glide over all types of fabrics without sticking or scorching. * Powerful performance : Heavy soleplate that is built to last. Easy to experience: Easy to understand temperature settings. Modern design: Attractive looks with powerful performance. Safe to use, with automatic shut-off when the iron is left.
