Subject: Request for detailing the Armed Police Personnel for protection and safety of BIS Investigating Teams(s) to conduct Search & Seizure under the provisions of BIS Act, 2016- Reg.

To,
The Superintendent of Police
District - Balotra, Raj.

Dear Sir,

As you might be aware, Bureau of Indian Standards (BIS) is the National Standards Body set up under an Act of the Parliament for harmonious development of the activities of Standardization, marking and quality certification of the goods in the country. The Bureau took over the assets, liabilities and functions of the erstwhile Indian Standards Institution (ISI) with effect from 1 April 1987. The status of the organization was enhanced by the Government with a view to provide more statutory powers for enabling the organization carry out its functions effectively. The BIS operates a Certification Marks Scheme under which licence are granted to the manufacturers for use of ISI Mark on the products under specified conditions. Thus, through this scheme BIS makes available the benefit of third party certification to the common consumer.

With the popularity of the ISI Mark, the instances of misuse of the mark are on the increase. To check such misuse and Violation of Quality Control Orders (QCOs), necessary prohibitory provisions have been made under Sec 11, 14(6), 14(8), 15 and 17 of the BIS Act, 2016. Also penalties for the misuse have been prescribed under Sec 29 of the Act. The employees of the Bureau have been declared as public servants within the meaning of Sec 21 of the Indian Penal Code. Also Certification Officers of the Bureau appointed by the Competent Authority, under Sec 27 of the Act, have been empowered to undertake search and seizure of any place, premises or vehicles where there are reasons to believe that contravention(s) as above are taking place.

During our recent drives, it has been observed that a number of manufacturers/dealers are resorting to misuse of BIS Standard Mark and Violation of QCO and there is an urgent need to check the same. Towards this objective, we seek your help in the process of carrying out search and seizure operations in accordance with the provisions under the BIS Act, for collection of direct evidence to facilitate prosecution of the offenders.

It is requested that you may consider advising the police stations under your jurisdiction to provide necessary help for search and seizure as and when approached by the BIS officials.

We shall be pleased to have your response.

Thanking you,

Yours faithfully,

(Kanika Kalla)
