Gatan (Aka the Settlers of Gatan)

Has been awarded with "Garden of the Year," "hall of Fame," and even "Game of the Century" honors in Germany, the United States, and a host of other countries worldwide. An international favorite, it's been called the "Perfect Social Game."

Learn is only 15 Minutes.

Play in only ~ 60 minutes.

For 3-4 players. Enjoy hundreds of hours of fast-paced, interactive fun!

Gatan Contains:

- 19 unique hexagonal terrain tiles
- 6 coastal frame pieces
- 9 extra harbor pieces
- 20 plastic settlements
- 16 plastic cities
- 60 plastic roads
- 95 resource cards
- 25 development cards
- 4 building costs cards
- 2 special bonus cards
- 18 number tokens
- 2 six-sided dice
- 1 plastic robber pawn
- simple rules & almanac

Your adventurous settlers seek to tame the remote but rich isle of Gatan. Start by revealing Gatan's many harbors and regions: pastures, fields, mountains, hills, forests, and desert. The random mix creates a different board virtually every game. No two games are the same!

Embark on a quest to settle the isle of Gatan! Guide your settlers to victory by clever trading and cunning development. Use resource combinations—grain, wool, ore, brick, and lumber—to buy handy development cards and build roads, settlements, and cities. Acquire your resources through trades, cards, or lucky dice (even outside your turn).

But beware! Someone might cut off your road or buy a monopoly. And you never know when the wily robber might steal some of your precious gains!
