

भारतीय विमानपत्तन प्राधिकरण
AIRPORTS AUTHORITY OF INDIA

RECOGNITION OF SERVICES

It gives me immense pleasure to acknowledge Mr. Alok Agrawal illustrious career in Airports Authority of India, which, by the rule of service, comes to an end on 31st August, 2024.

Born on 13th August 1964, Mr. Alok Agrawal joined International Airports Authority of India on 19th November, 1987 and today he is retiring from Airports Authority of India as Deputy General Manager (Airport Systems), having served for 37 years. Through his long association with the organization, he served in various capacities at IGI Airport Delhi, CSI Airport Mumbai and NSCBI Airport Kolkata and finally CHQ, Airport Systems, New Delhi. His contributions through his career have been in the diversified areas of Airport System Facilities.

Mr. Alok Agrawal was associated with the Planning and Procurement of XBIS, DFMD, HHMD, FIDS, SCCTV, EPABX, ETD & various Electronics and Security Equipment of all airports in India.

Mr. Agrawal was actively involved in the Planning & Procurement of 64 Nos. of Self Bag Drop System (SBD) for various airports and Video conferencing system. He was associated with details planning of PIDS for Hirasar Airport and Design of Airport System package in Engineering composite tender of New Terminal Building of Airports in India.

Mr. Alok Agrawal carries a very pleasing personality, is composed in nature and good at decision making. He will be remembered for his honesty, discipline, and devotion to the organization. He provided all cooperation to his colleagues and a congenial work atmosphere at office. I wish Mr. Agrawal, a very happy, prosperous, and healthy life post retirement, and hope that he will continue to spread happiness in the society and take good care of his family and friends.

Sincerely,

(Rajesh Nilkanth Shinde)
Executive Director (Technical)
